

Guidance Counselors and JROTC Instructors,

The Marine Corps League Detachment 1084, in Ellicott City is proud to introduce this year's scholarship offered to the best qualified graduating high school seniors. Applications are open to a son/daughter of an Active-duty Marine, a son/daughter of a Marine Corps Veteran, or currently enrolled in a JROTC program, who attend a High School in Howard County, Maryland.

Our evaluation would break down as follows:

1/3 – Academics (Overall GPA)

1/3 – Americanism (Scouting, Civil Air Patrol, Color Guard, etc.)

1/3 – Extracurricular (sports, clubs, community service and possible work history).

In addition to the above, we also require an essay from the student.

Let us know if you have any questions.

Semper Fi,

Jesus Tapia
